Dear Club,

This year Christmas kicked off with a big party at the office. I enjoyed myself so much that I could hardly remember much and came to work the next day with a huge hangover. As I gulped down some headache pills, I listened in alarm to the girls whispering and giggling about the way I had apparently thrown myself at Steve, our regional manager.

Not only was I worried about having made a fool of myself at the party, but when I switched on my computer I almost burst into tears when I saw a personal email from head office. Worried about my future, I reluctantly opened it. With a sigh of relief I saw that it was an invitation to attend Steve's private Christmas party.

To put it mildly Steve is a hunk, good looking with a fit body and just oozing sex appeal. I spent the next few days planning my outfit for the party and in the end decided on wearing a little black dress over some tiny black lace Victoria's Secret underwear. I finished the outfit off with stockings and my highest-heeled "fuck me" shoes.

Steve's house was rather grand, and as I parked my Metro on the drive I marvelled at the amount of expensive motors belonging to his other guests. I felt a little shy entering his plush home, but he welcomed me warmly and introduced me to everyone as though I was his girlfriend. All through the evening he kept coming up to whatever group of people I was with and putting an arm around me, filling my glass, and then kissing my cheek before

leaving me again to mingle with his other guests.

As the evening wore on and everyone began dancing I found myself letting off a little steam. I was swaying in time to the music and had been through my fair share of partners before he claimed me for himself. We were dancing very close and the drink made me relax so much that I almost forgot where I was. When I felt his hard cock pressing into me, we began to snog, and I ground my pussy back against him and squeezed his buttocks with both hands. We were practically dry-humping as we danced in the low lighting and if he had not picked me up and carried me upstairs I am sure the next step would have been to shed our clothing in front of his guests.

He tipped me from his arms onto his bed

“With one hefty shove he shunted his thick cock-head just inside my juice-slick hole.”

before locking the door. I wriggled out of my party dress and cavorted around his bed, tantalising him in my sexy black frilly lingerie and stockings as he ripped off his clothes, revealing his rampant cock with its dark red helmet. I squealed with glee as I dived across his bed and he made a lunge for me, and we ended up in a tangle of his bedclothes.

“Come to Santa, and see what he has for you,” he said, wagging his prodigious member at me in one fist. I was impressed by the length and girth of his fine big cock, and playing along with him I asked

if I could suck his candy cane. Not bothering to wait for a reply, I gripped the base, and, wrapping my bright red lips around his cock, began sucking it. It tasted wonderful, and once I had bobbed my head on it for a few minutes I allowed the helmet to pop from between my glossy lips and I started to make eye contact with him, showing him how good it was by licking his cock-head as though it was an ice cream cornet.

While I blew him, Steve removed my tiny lace bra and began teasing my hard nipples, making my pussy wet as tiny sparks of pleasure pulsed through my clit. Sucking him deeper inside my mouth, I gobbled and gulped, trying to take more of him inside as he commenced rolling my sensitive teats between his forefingers and thumbs. My pussy ached and throbbed with need and when I could hold back no longer I popped his cock from between my lips and begged him to do me properly. Still imitating Father Christmas, Steve gave a hearty laugh and rolled me over onto my back.

“...my body stiffened as my pussy clamped around his shaft and went into spasm.”

“What would you like for Christmas, little girl”? he asked spreading my legs. “Just a fuck, Santa, please,” I replied, grasping his cock and guiding it toward my soaking pussy. Steve allowed me to position his cock against my entry, and with one hefty shove he shunted his thick cock-head just inside my juice-slick hole. I wriggled delightedly and pushed my hips upward to meet his thrust, moaning with pleasure as his big cock sank deep inside my wet slit. I gripped his buttocks, digging my nails into his taut flesh

as he began to hump me hard and deep, sending quivers of exquisite pleasure through my whole body as he brought me to climax within only a couple of minutes. My body shuddered, still in the grip of orgasm, as he pulled out of me again and flipped me onto my tummy, pulling my hips back and up, then re-entering me hard from behind. I love being fucked doggie, and my body stiffened as my pussy clamped around his shaft and went into

spasm. Pumping his cock in and out of me from behind, Steve shafted me until I was squealing with outrageous pleasure, and when at last I felt him firing his creamy load way up inside my contracting pussy my orgasms rolled one into the other until I was more or less delirious with pleasure. Obviously I stayed the night after that, and Steve gave me plenty more Christmas presents before the morning rolled round. We’ve seen plenty of each other since then, and I can’t wait till this Christmas when we can have a proper repeat performance...

At first glance, you might think that Gina is a classic reveller, ready to throw back shots, dance on tables and then run naked into the sea, providing she is near a coastline of course. But it appears we may have been a bit far fetched in our assumptions about Gina.

“Of course I do like to go out with friends, and I do occasionally end up in a club, but I’m at my best with a chosen few out to dinner or in a pub, mainly because I like to hear what people have been up to and have a good laugh. Though I have run into the sea naked and it was bloody freezing!”

Gina’s gift is that she always leaves you wanting more, and we suspect there’s a lot more than meets the eye when it comes to this beauty.

The first question I put to Ulysse, 'Are you looking for Leopold?', she takes with a smile and a pinch of knowing laughter behind the eyes, which suggests this cute brunette has been asked this before. Evidently, my wit is too late on this occasion.

I take it somebody has said something similar before? "They might have done. But honestly, I don't think that many people link James Joyce's novel Ulysse and my name."

Really, I couldn't think of anything else; it's a modern classic.

"I know, not that I've read much of it myself, it's the size of a doorstop!" We've got something the same size, and it's not hard to read where Ulysse's is concerned.

Stacie 
PHOTOS: HOLLY RANDALL

As you can imagine, we were more than ready to lend Stacie Jaxxx our jacket against the cold, but the 23-year-old had another idea and soon got a fire going in the grate, which is when things really started to heat up. Stacie was more

than happy to strip off in front of the fire, "I'm so snug, that I really don't need all these clothes on anymore. And I do like the feel of warmth a fire gives off against my naked flesh." Stacie's not the only one feeling snug; our boxers are getting a bit tight at this sight.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PEACHES PIE

I've always liked the stories you publish in Club so I thought I'd tell you about something that happened to me a couple of years back when I was still at university. There I was, sitting watching crappy daytime TV in my room (Ah, the student life! – The Ed.) when there was a knock at the door. It was Jeannie, a girl who lived in the flat above me and was a really sexy lass, with a mass of curly red hair, big tits and a nice, round arse. When she'd first moved in I'd tried my hardest to get in her knickers but had had no luck, because (get this!) she had a girlfriend, called Helen. Of course that just turned me on even more. Jeannie claimed to be bisexual, but I'd only ever seen her flirting with blokes, getting them all excited before slipping away with Helen – or even some other girl. She'd even done it to me a few times, the tease!

This time Jeannie came and sat on the bed next to me, giving me a great (and I reckon deliberate) view of her ample cleavage as she moved around me. Then she lay back with her head in my lap and started playing with my hair. There wasn't actually anything all that unusual about this, because Jeannie was obviously used to using her looks to get her own way, especially with me! I was starting to get a hard-on, so was trying to change position without making it too obvious when I suddenly noticed that the bottom drawer of my bedside cabinet was open and a well-thumbed copy of Men Only was lying

exposed on the top. Jeannie saw it too and was onto it like a shot. I went bright red, but Jeannie just looked at me and said she'd never looked at a porn mag before. She started flipping through it, commenting on the girls she fancied. As she slowly went through the issue, pausing at every page, I realised that I was really turned on. She started to ask me what it was that I really liked about the mag. Was it the girls? The features? The letters? Without getting a chance to answer she started to tease me, saying she was sure it was the letters and flipped through until she found the start of one. Quietly she started to read the letter out. It was from 'Peaches', my favourite section. As Jeannie slowly read out the letter she would pause every now and again, then look up from my lap where she had settled, look me directly in the eye and moisten her gorgeous red lips. She had a deep, sexy voice and I was getting more and more turned-on by the second.

Jeannie was getting to the climax of the story and the girl in it was about to take a serious arse-fucking, when she suddenly chose that moment to change position, sitting up on my lap and facing away from me while carrying on reading. As the girl in the letter slowly took the guy's full length and he began to pump, Jeannie started to rock backwards and forwards on my lap, grinding her arse into my cock. I was hard as a rock; I'd never been so turned on before. Jeannie stood up and started feeling my cock.

"You fucking love those stories, don't you?" she whispered in my ear. "You want to fuck me up the arse, don't you? But I'm not going to let you." She let go of my throbbing cock. I was well pissed off. I thought it was the

“I kept pounding and pounding, my balls smacking against her bum.”

typical Jeannie tease. But this time she wasn't finished with me.

Standing in front of me, Jeannie started dancing, gently at first, swaying from side to side, dipping down to give me a good view of that great cleavage. Then she'd move back up, stretch and show me her taught stomach. Despite my annoyance I couldn't help but enjoy the show. She moved back onto the bed and kissed me on the lips, whispering, "It would be cruel to leave you this turned on..." she ran her finger gently along my fly, "without giving you some satisfaction." She gently unzipped me and pulled my cock out. It was the hardest I'd ever known it.

Jeannie went down on me like a pro, wanking the base of my shaft as she sucked my end hard. She willingly took the whole of my dick into her mouth and I worked my other hand into her jeans to feel her clit. As she continued blowing me I pulled her jeans down. I was already on the verge of coming, so took a chance and started working my thumb in a slow, circular motion into her arse. Jeannie stopped and looked at me with an expression that was half-pleasure, half-surprise. I worked my thumb in deeper.

"Come in me," she murmured. "Fuck my arse." I started to lubricate her with her pussy juices, wetting my fingers, then sliding them in. She let out a gentle moan as each finger got to work and she soon felt nice and open. I moved round behind her and placed my bell end on her crack, then slowly started to work it in. The sight as I did so was incredible, and it took all my self-control to stop myself from coming even before I'd fully penetrated her.

After a while I was balls deep in her arse and started rocking in that tight little hole of hers. It felt like an elastic band had been fastened around my cock, the pleasure was insane. Jeannie moaned and wailed as my thrusts got harder and harder. I have to admit I'd never fucked an arse before and it was fantastic. I kept pounding and pounding, my balls smacking against her bum. She begged me to keep going, thrusting deeper and deeper, until suddenly I exploded inside her.

I pulled out, my come dripping down her beautiful arse cheeks, but I was still horny. I flipped her over, spread her legs apart and plunged my tongue deep into her soaking wet pussy. I moved back, working her lips, biting her as she groaned. Soon I felt her button and concentrated on it with the tip of my tongue as I started to finger her pussy again. By now she was making a lot of noise so I started to

“I sprayed a jet of spunk between her arse cheeks...”

suck harder. Jeannie got louder and louder as I sucked harder and harder and finally screamed out loud as she came, a massive orgasm wracking her body as she jerked beneath me.

After that we flopped down on the bed, both completely exhausted. My tongue felt as raw as her arse looked. And after all that, when she'd got her breath back, what do you think she did? She turned and asked me for a lift to the fucking shops! I knew she'd wanted something out of me, but I could hardly refuse, could I? And I let her keep the copy of Men Only. I'm sure her and Helen enjoyed it! Sadly I never got the opportunity for a repeat performance – she made it quite clear it'd had been a one-off treat, but it's still a memory I'll treasure for the rest of my life!

Pete, Leicester.

KRAMMING KAREN!

My friend Simon has been a constant source of annoyance for ages now. If I've heard it once, I've heard it a million times about his 'nympho' girlfriend and his wonderful sex life. Well, I say friend, he's more of a work colleague who is always up for a few drinks when a group of us go out. I clarify this, in order to make me feel better about what happened recently, and why I find it a lot easier to take when he informs me of his previous night's activities!

It was last week, when we were having some of the aforementioned drinks, that he finally decided to bring Karen to meet us. On seeing her, I've got to confess to a little envy initially, as she was gorgeous; and in keeping with what he had said radiated sexuality! She was an incredible flirt, and seemed prepared to let all the blokes know she was up for it. It also seemed that Simon's way of dealing with this was to drink faster and in larger quantity than usual! Anyway, Simon was so plastered that he eventually was taken home by one of our more sober friends, leaving me talking to Karen, who had certainly had a few.

Feeling mischievous in her boyfriend's

absence, I brought up the subject of his sexual bragging. To my surprise she merely replied, "Oh yeah, I know he tells everyone. In fact I'm quite glad as it saves me from chatting people up. I mean, you know you're going to get some, right?" I had never had a girl say something that I had been clearly thinking before! My embarrassment was soon heightened by her getting up, and in front of the group leading me by the hand to the gent's toilets. Within seconds we were in a cubicle pressed against each other, and she was speedily undoing my belt and kissing and biting my neck. Freeing my rigid dick, she stared wildly into my eyes and held my cock in the tips of her fingers. As she worked up a steady rhythm the sensation was incredible and I groped for her pert tits. Barely as I had begun to tweak her nipples, she slid down my body to her knees, and in one movement had the tip of my cock against her tongue. Looking down I saw her lips envelop my cock and my shaft disappear.

Chewing hard on my bottom lip I desperately concentrated to stop myself from shooting straight into her delicious face! Knowing I could take no more as she began sucking my balls and wanking me at the same

time, I pulled her head away and began to turn her round. Instinctively she bent right over, placing her hands on the toilet's cistern as I unhooked her skirt, letting it slide down her hips to the floor. She was wearing no knickers, and she widened her stance and arched her back to reveal the greatest sight I had ever seen! Looking over her shoulder, she said "Both holes!"

Entering her from behind, she let out a little yelp, and grabbing two handfuls of arse I began to fuck her pussy as hard as I could. I could hear that some of the other guys were in the toilets, enjoying what they could hear as I then began to ride her tight bumhole to her relentless screams of "More!" This was no gentle introduction to anal sex – she really wanted a pounding and squealed with pleasure the harder I went. She began to moan that she was cumming and holding her mane of hair in my right hand, and removing myself with my left, I sprayed a jet of spunk between her arse cheeks and all over the small of her back. I'm sure I could hear a little cheer from the other side of the toilet door, but was past caring in my joyous state! To this day, Simon has never found out, but now when he talks about what he's done the night before, I'm more than happy to listen. In fact, being reminded of the best few minutes I've ever had, is something I'll never tire of!

We did see the bath sloshing evidence on your twitter feed, and it was surprisingly sensual, though we're not sure we'd try it at home, the missus might blow a gasket.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fatal Faecal!

This is one way to put a lid on things. 42-year-old Andrew Jensen was arrested on suspicion of burglary after California police sniffed out the suspect from some faecal debris that had been left in an unflushed toilet at the scene of the crime. Detectives had the specimen tested for DNA at the Forensic Services Bureau for processing before being run through the Combined DNA Information System which flagged up Jensen as a match. Three days later police had tracked their man down and arrested him at his home in Ventura. Jensen has been charged with first-degree residential burglary, and his bail is set at \$180,000. It looks like this won't be quite as easy to flush away.

I can't quite reach the loo roll...

Cat burglar falls foul of his own mess!

Wires Crossed!

I'm a bones and all man.

Brace yourself; this is cringe worthy. A 30-year-old female from Perth, Australia, attended the Sir Charles Gairdner Hospital complaining of upper abdominal pain. Doctors assumed this was caused by her gall bladder and sent her home after the pain had subsided. Two days later, however, the unnamed female returned to hospital and doctors sent her for a CT scan that revealed a wire shaped object in her small intestine. Emergency surgery was performed removing a 2.8-inch long section of orthodontic wire that pierced through several parts of the small intestine and caused the organ to wrap around itself. Doctors were shocked by the find and even more so when the patient revealed she'd had her braces removed ten years earlier.

Rambodillo!

Perhaps our military services could learn a thing or two from the armoured armadillo. A Mariette man of East Texas was taken to hospital after sustaining a bullet wound to his jaw. County Cass Sheriff's office stated that the unidentified male had left his house at 3 am spotting an armadillo in his back garden. The male returned to the house where his wife was present and picked up his 38 revolver, shooting at the animal three times. At least one of the bullets struck the Armadillo and ricocheted back hitting the shooter in the jaw. The gentleman was quickly airlifted to a local hospital where his jaw was wired shut. The Armadillo scarpered, and so its condition is unknown.

Little is known of the Armadillo Resistance!

This is my turf punk!

TOTAL
RECALL

Michelle 

FROM: CLUB VOLUME 37 NUMBER 13

Dear Total Recall,
Wind the clock back
nearly ten years, and
your lusty eye may
have caught a glimpse of the
seductive Michelle taking off
all her finery. To remember this
particular set shown in Vol.37.13
after all these years displays the
effect Michelle had on my swiftly
rising manhood, and it would be
wonderful to see her published in
Club again.

Andrew, Lincoln.

After venturing out to more exotic climbs, we discovered the beautiful Eva. Who with her full and natural breasts, practically hypnotised us as she playfully flirted in front of the camera. But what does a girl with a body as toned as Eva do with herself when away from the camera?

"I hang out with friends, do yoga and generally anything health related as I like to take care of myself."

Well, you're doing an excellent job from what we can see!

Janice 
PHOTOS: DDF

Janice is certainly getting the juices flowing, as this New Yorker dressed in underwear we wish certain members of Baywatch had supported, lounges by the pool on a hot sunny day, which has us sweating from more than the sun.

The self-confessed bisexual has always been curious but never thought she'd find herself in the porn industry, and yet has been delighting us since 2014 when she was just 18-years-old! You can catch Janice in action at any of the big name streaming sites, as this popular girl is well worth watching.

A Ladies boudoir has always been a mysterious place to a man, the things that go on behind those closed doors one can sometimes only imagine. So getting an up close and personal insight into Chloe Toy's place of slumber feels like a real honour. "I do spend a lot of my time in bed, in fact, it has to be my favourite place, though I'm not always sleeping when I'm tucked up that's for sure!" We're glad to hear it!
